

TECHNICAL DATA SHEET

Pistachio Chocolate Fragrance Oil

Product Name: Pistachio Chocolate Fragrance Oil

Olfactory Classification: Pistachio Chocolate Fragrance Oil belongs to the gourmand nutty, chocolate sweet, and creamy oriental fragrance family, characterized by a pronounced creamy, nutty, and warm dessert-like profile. The composition combines notes of pistachio, hazelnut, honey, caramel, chocolate, coconut, cedarwood, tonka bean, vanilla, and patchouli, creating a rich and luxurious gourmand fragrance inspired by creamy chocolate-pistachio desserts.

Description: The composition is rich, creamy, and intensely gourmand, featuring prominent nutty and chocolate nuances. The fragrance exhibits a medium to strong intensity, excellent diffusion, and a long-lasting warm trail. The opening is built around pistachio, roasted hazelnut, and honey. Pistachio delivers a creamy nutty richness with subtle green nuances, while roasted hazelnut contributes a warm and indulgent gourmand character. Honey introduces dense sweetness and a soft balsamic warmth that rounds out the top notes.

The heart of the fragrance unfolds through notes of caramel, chocolate, coconut, and dry cedarwood. Caramel contributes creamy warmth and dessert-like sweetness, while chocolate imparts a deep and intense gourmand character. Coconut introduces a soft tropical creaminess, while dry cedarwood provides an elegant woody structure that balances the sweeter facets and lends a more sophisticated dimension to the composition.

The base structure is founded on tonka bean, vanilla, and patchouli. Tonka bean contributes warm balsamic nuances with subtle almond-like facets, while vanilla provides soft creamy richness and long-lasting sweetness. Patchouli introduces earthy depth and additional sensuality, completing the composition with refined complexity.

The dominant accords of this composition include pistachio gourmand, creamy chocolate, caramel vanilla, toasted nuts, and a warm patchouli profile. The fragrance leaves a rich, warm, and distinctly gourmand trail with an elegant creamy-nutty finish.

TECHNICAL DATA SHEET

Application: Pistachio Chocolate Fragrance Oil is intended for the manufacture of scented candles, wax melts, reed diffusers, air fresheners, and other fragranced formulations. The recommended concentration for wax-based formulations generally ranges from 7–10%, while 10–15% is recommended for wax melts, depending on the desired fragrance intensity and the type of base used. For wax-based formulations, preliminary testing of fragrance compatibility and performance is recommended to ensure optimal stability and diffusion. For maximum permitted concentrations, the relevant IFRA Certificate should be consulted. The fragrance demonstrates excellent stability and a pronounced gourmand-nutty character.

Pistachio Chocolate Fragrance Oil is manufactured in accordance with European regulations (CLP Regulation (EC) No. 1907/2006 and 1223/2009/EC) and French IFRA standards.
